STATEMENT OF OBJECTS AND REASONS

Before the promulgation of the Himachal Pradesh Ordinance No. 3 of 1976, in the areas which comprised in Himachal Pradesh immediately before 1st November, 1966, the Himachal Pradesh Minor Canals Act, 1955, was in force, and in the areas added to Himachal Pradesh under section 5 of the Punjab Re-organisation Act, 1966, the Punjab Minor Canals Act, 1905 and the Punjab State Tubewell Act, 1954 were in force. In order to have uniformity in respect of control and management of minor canals, to provide for the levy of water charges thereon, it is proposed to have a uniform law in the whole of the State of Himachal Pradesh. A Bill bearing No. 26 of 1973 was introduced in the Legislative Assembly, but the same has not been passed as some further amendments in the proposed legislation were under consideration of the Government. These amendments were subsequently finalised by the Government. Since the implementation of the law relating to the control and supervision of minor canals was being held up for want of such amendments and the matter was of urgent public importance, and since the Legislative Assembly was not in session and the circumstances to the satisfaction of the Governor of Himachal Pradesh existed which rendered it necessary for him to take action under Article 213 of the Constitution, the necessary provisions were given effect to by promulgation of an Ordinance, being Ordinance No. 3 of 1976 promulgated by the Governor of Himachal Pradesh on 7-4-1976. This Bill seeks to replace the said Ordinance without any modification.

SIMLA :

Clause 49 of the Bill provides for assessment of compensation to be paid under the Bill. The exact amount of recurring/non-recurring expenditure to be incurred cannot be worked out on this account at this stage. The approximate expenditure for the current financial year is expected to the tune of Rs. 80,000/-.
